### *An affiliate of the American Iris Society*

How long has it been since you took a close look at irises? The rise of new colors and patterns is giving irises greater impact and prominence. Irises now range from intense bold and bright colors to subtle and mysterious colors. The standards and falls are enhanced with edges of contrasting colors and lots of lace and ruffles, as if it was needed. I encourage you to include irises in your home landscape and to increase your knowledge of irises. Why not join the **Waco Iris Society**? It will be the best decision you have ever made.

The Waco Iris Society is an affiliate of the American Iris Society and a Section 501 (c) (3) non-profit organization. The Society's mission is to encourage interest in the growing and propagation of the Iris families.

The Society welcomes all guests and encourages membership in the Waco Iris Society as well as membership in the American Iris Society. Each year, the Society hosts a Spring Iris Show, open to anyone who wishes to enter and there is no charge for entry or to just come look at the beautiful blooms. The last Saturday of September each year, the Society holds an Iris Sale, open to the public, at the GreenLife Nursery, located at 1312 N. New Road. Members provide the irises for the sale and the proceeds go to support the Society and the Spring Iris Show. The Society year begins in September with each member receiving a free iris rhizome purchased from top hybridizers, followed by an iris auction which is open to everyone in attendance. Meetings are held on the third (3rd) Saturday of September, November, January, March and May at 10:00 a.m. at the Crestview Church of Christ, 7129 Delhi (Sanger Ave. changes to Delhi just past Providence Hospital) unless stated otherwise in our newsletter. If you would like to receive a free e-newsletter, contact e-mail below.
