JAN 13, 1987 at ZILKER GARDEN

CENTER. ELIZABETH KREBS OF TAYLOR WILL GIVE PROGRAM ABOUT HER LONG-TIME EXPERIENCE AT GROWING IRISES.

**GARDENER'S PRAYER**

God teach me to take the time to sit  
in the sun,  
To chat with a friend or make a new  
one,  
To open my garden gates so wide  
that a friend  
Or a stranger will come inside.

That the flowers I grow with your  
help and care  
Will always remind me to share and  
share.

And when I am privileged to work in  
your garden above,  
Will you pass by with a smile of love  
So I may know that you approved my  
deeds,  
That I'm not wasting my time with  
flowers and weeds.
