Iris Society of Austin

March 1992

Jim Landers, Editor

ISA Officers

President.....Mel Landers
Vice-President.....Jan Sherrill
Secretary.....Pat Freeman
Treasurer.....Pauline Guerrero

January Meeting

The January Meeting will certainly be remembered as another of our very interesting and informative meetings. Guest speaker Rokki Rockwell presented a beautiful slide show and commentary on Louisiana Irises, and encouraged us all to try her favorite irises. With the wide range of color and form in the Louisiana Irises the interest in this iris has increased to the point where many of us are going to start growing them.

MARCH MEETING

The next meeting of the Iris Society of Austin will be next Tuesday, March 10th, at 7:30 p.m. at the Garden Center in Zikler Park. Everyone is invited and urged to attend this meeting. There will be a special program of slides of Historical Irises featuring those introduced prior to 1930.
