Christmas Tree at Zilker Botanical Garden

Nelda and Tracey decorated the Iris Society of Austin (ISA) Christmas tree at Zilker 12/1/25. Viewing of the various club trees occurred during the first week in December in the Green Room. Due to rental events, the trees were not viewable all month.

Iris Society of Austin Meeting Minutes - January 18, 2026

submitted by Dara Smith

The meeting was called to order by Jaime Hadley. There were 12 members present (including 1 youth member) and one guest that will be joining. This Sunday afternoon meeting was held at Zilker Botanical Garden.

At this meeting today the renovations on the Green Room have been completed. The doors from the large meeting room into the adjoining office spaces have now been paneled over and there is new wood flooring instead of vinyl tiles throughout the entire space!

- We gathered today with a “snacking” pot luck in celebration of the New Year!
- The Minutes from the November 16, 2025 meeting were approved as printed in the December 2025 newsletter.
- Treasurer’s report given by Donna Little. There are no changes in the current balance from the last report in November.
- Tracey has been sending emails to keep everyone informed of the plans that Zilker is coordinating to relocate the iris plantings. There are currently irises planted with day-lilies in the rose garden. The interest in the members participating in this job is very minimal as the membership has dug up and replanted the irises several times in the past 3 years.
- Shirley Smith reviewed the information from AAGC about the Shelter-In-Place and evacuations plans of Zilker gardens. Remember to make your own emergency plans and be prepared for fires and inclement weather events.
- Iris Society of Austin annual Dues are due in the month of January. Please make your payment to Marney Abel or Donna Little for “Iris Society of Austin”. AIS sends renewal notices in December/January and some ISA members have their dues to AIS paid for by ISA. Reminder: for old and new members that attending 5 meetings or events in a year makes you eligible for Iris Society of Austin to pay your annual membership dues to the American Iris Society!
- Donna Little, Show Chair, provided updates for the ISA Spring 2026 Show “Iris Rainbows”. Entrance to Zilker is still unclear. We are targeting 8:45am, but may be able to get in the gates earlier, so stay tuned for more info. The judging will start at 10:30am and doors open to the public at 1pm. Everyone was asked to continue in their positions that they participated in last year. We will all need to share the role for Hospitality with Shirley Smith coordinating. Need food for judges and members for snacks and lunches.
- List of show leaders:
 - ◆ Tracey Rogers - Judge Coordinator
 - ◆ David Kramer – Placement
 - ◆ Dara E Smith & Jaime Hadley - Classification and Awards

 - We also viewed a Facebook post from a young Influencer visiting Hybridizer Lynda Miller's Iris seedling beds.
<https://www.facebook.com/share/v/1Ap3fNm7bL/>
 - The video shows some of Lynda's examples of hybrids with pom-poms and flounces as she has coined the terms "Bowl of Fluff" varieties. We had some issues with the audio portion of this during the meeting. Enjoy watching this young man share his enthusiasm for the work that goes into Lynda's new hybrids!!

January miscellaneous

1. Tracey mentioned that Audrey is the hostess for February. She is still looking for hosts for March, April, & May.
2. Tracey mentioned that the by-laws indicate need for a nominating chair, which is appointed by ISA President. This is the one committee that the President cannot serve. The nominating chair can then form a committee and present a slate of officers at the February meeting.
3. Audrey will try to work with Marney for February program. It may be another AIS program, but hopefully shorter than the January video.
4. Shirley is collecting volunteer hours. If you have hours for Q4 2025, please let her know.
5. Tracey emailed the ISA show schedule to Donna L., Ken F., Dara S., & Jaime H. for review. She would like feedback/corrections by the 1/27/26 so she can update and submit to AIS by the January deadline.
6. Tracey mentioned that she plans to email or print copies of an article she found in National Garden Club's newsletter regarding the difference between design and a floral arrangement. She thought it might help anyone who hasn't previously submitted a design entry for a show.
7. The Sydney B. Mitchell Iris Society hosted a two hour online judges' training on awards and honors at 1:00 p.m. Pacific time on Saturday, January 24, 2026.
8. The next annual meeting of Society for Louisiana Irises (SLI) will be held on Friday April 10th, 2026, at the Ira Nelson Horticulture Center in Lafayette, Louisiana. Check The American Iris Society newsletter for additional information.
9. Mt. Diablo Iris Society is looking for six judges to judge specific sections of the 2026 Virtual Iris Show, specifically sections in which you are NOT entering iris pictures. The MDIS Virtual Show will run through midnight on August 31, 2026. Judging will begin on September 1, 2026 by email. Check The American Iris Society newsletter for additional information.
